The Small Business Office- where do we fit in

- The DSCC Small Business Office is a part of the Department of Defense and Defense Logistic Agency. Although we are not a direct part of the Small Business Administration (SBA), we support their programs and work with two SBA representatives located at DSCC. Our existence is a requirement of FAR 19.201 (d) and (e).

The Small Business office also manages the (BCC) Business Counseling Center. The center is a one-stop shop computer accessible information center, providing easy access to electronic solicitation and business opportunities. Our award winning **Training**, **Knowledge and Opportunities (TKO) Seminars** provide both Basic and Advanced training on how business is done
